QUALIFICATIONS

To the best of our knowledge,
the **local farms** listed follow these practices:

Use Traditional,
Non-Toxic Methods

Raise Pasture Fed
Livestock

Milk & Dairy
Products are Raw

FARMERS ARE OUR FRIENDS

Farmers work hard, and put an immense amount of effort into their farms. Most are trying to do the best they can with the information they have. Please make sure to show nothing but respect for the farmer's in your area as you contact them with questions. Thank you for supporting local farmers who use traditional and regenerative methods!

SAMPLE QUESTIONS TO ASK FARMERS

Can I come visit your farm? What do you feed your animals? How do you care for your animals? How do you amend your soil? How do you deal with pests? How do you deal with sick animals or plants?

LOCAL FARMS

This list has been compiled to the best of our ability, but it is for reference purposes only. It is your responsibility, as the consumer, to create a personal relationship with your farmer and make sure you are comfortable with their feed & farm practices. To understand WAPF stances on certain feed & care routines, please refer to the website.
